Welcome!

Thank you for considering Cookie for your event! We are happy to host you.
Let us tell you about our venue...

The beer hall is an enormous space, flooded with natural light. Tables can be arranged to your liking for a seated dinner party or repositioned to open up the space. Have dinner and drinks next to our famous kiss wall and in front of our live DJs.

The hidden cocktail bar is a fantastic semi-private space. Suitable for seated dining or standing, mingling and drinking. This area provides seclusion from the rest of the venue you and have access to your own bar. Witness the show our cocktail bartenders put on whilst mixing and shaking drinks for all of Cookie!

Or...have your party in the centre of all the action! Table 5000 is the best seat in the house. Located between the restaurant and the beer hall, directly opposite our massive marble bar. With views into the cocktail bar and kitchen from here you can really experience every bit of Cookie!

Hire 3/4's of our venue with the beer hall and cocktail bar combined:
We'll clear the beer hall tables to create your dance floor and our resident DJs will entertain you with the soundtrack to your night! Order a drink anytime at either of your two bars, cool down on one of your three private balconies or take a minute to relax in the cocktail bar - the choice is yours!

Why not have it all? Have more friends than you can count or looking to host a large corporate event? Our full venue exclusive hire ensures you have a whole of Cookie to play with and can host groups up to 300 people.

We pride ourselves on throwing great parties - we aim for everyone to leave Cookie having had a memorable time. We understand different occasions require different needs, so we're here to tailor any package exclusively to your liking. Send us an email at events@cookiemelbourne.com.au or call us on 0418 766 275 or come on by for a tour!

COOKIE

A close-up photograph of a glass filled with an orange-colored beverage, garnished with a slice of orange and a black and white striped straw. The glass is set against a blurred background of warm, reddish-pink lights. Overlaid on the right side of the glass is a circular graphic with a white lace-like border and a semi-transparent grey center. The word "DRINKS" is written in a bold, black, sans-serif font within this central circle.
