PREMIUM WINES BY THE GLASS

THE CORAVIN SYSTEM

The Coravin wine preservation system uses a long hollow needle and an inert gas (argon) to protect a wine from oxidation without having to remove the cork.

Therefore, we are able to pour any Premium Wine without fully opening the bottle, keeping the taste of the wine unchanged from the first to the last sip of wine.

RIESLING

2020 Markus Molitor Kabinett Mosel GER 29 48 96 142

The wine is produced by Markus Molitor, who became the eighth-generation winemaker of his family's estate in 1984. His winery is located on steep slopes with ungrafted vines over 100 years old, requiring significant manual labor. The Ürziger Würzgarten site is traditionally considered to be a specialty among the Middle Mosel vineyards because of its red iron-rich soil, which is mixed with fine slate. This gives the wines grown here a totally different character, with spice and opulent fruit as well as a crisp, hearty backbone, which produces a tremendously full-bodied wine when combined with a hint of residual sugar.

CARRICANTE

2022 Donnafugata Sul Vulcano Etna Bianco Sicily IT 32 52 104 152

Altitudes range from 600 to 750 meters. The terrain is mountainous, and sandy soils of volcanic origin are fertile and rich in minerals. Straw yellow in color with golden reflections; this wine presents an elegant bouquet of mineral notes, fresh citrusy aromas of citron and grapefruit, and delicate notes of white flowers. Well-integrated tertiary notes of ginger and vanilla are also pre-sent. On the palate, it is enveloping, fresh, and savory, with an elegant minerality and persistence

CHARDONNAY

2023 Giant Steps 'Sexton Vineyard' Yarra Valley VIC 40 66 132 194

Sexton Vineyard Chardonnay is a refined, single-vineyard expression of cool-climate Australian Chardonnay. Sourced exclusively from the Sexton vineyard in Gruyere, this vintage reflects a precise and terroir-driven style, shaped by the elevated site, lean volcanic soils, and meticulous winemaking. White peach, grapefruit pith, preserved lemon, showing lifted citrus and subtle reduction. The palate is taut, saline and a creamy mid-palate with pristine acidity. The wine is elegant and textural

PREMIUM REDS

PINOT NOIR

2022 Zind-Humbrecht 'Heimbourg' Alsace FR 42 70 140 205

The domaine Zind-Humbrecht produces only one red wine, on a very small plot of 0.32ha in the single vineyard Heimbourg in Turckheim. Facing west, on red Oligocene limestone soil (rich in iron), the Pinot Noir ripens slowly and develops a delicate aromatic profile. Vibrant and fresh ruby red colour. The nose shows delicate red fruits aromas, quite developed. The aromatics are complex and pure. The palate is elegant, with a medium power and harmonious acidity, and a surprising elegance. The tannins are soft, ripe and the finish is vibrant and lively

CABERNET SAUVIGNON

2020 Moss Wood 'Wilyabrup' Margaret River WA 60 99 198 295

Dark and red berry aromas of blueberry, blackberry and redcurrant, plus some violets, cloves, dark jube and musk, a sure indicator of the presence of Petit Verdot. The complex background is all about Cabernet Sauvignon, with lots of tar, dark chocolate, tobacco and even some cinnamon and toasty oak. A full-bodied wine, fresh acidity and concentrated tannin, making the wine bright, long and, for Moss Wood Cabernet Sauvignon, quite taut.

SYRAH

2021 Swinney 'Farvie' Frankland River WA 60 99 198 295

The Farvie is a remarkable expression of Australian Shiraz and puts Western Australia back in the conversation regarding benchmarks for this variety. Succulent, medium-bodied red of suede texture, bright, red berry fruit characters, a thread of crushed granite minerality and soaking of liquid brown spice. The palate is more on the red berries. Tannins thread tension and grip through the wine, the finish all that minerality and a growing pucker. Refined and definitively 'syrah' over shiraz. A beautiful and individual expression."
