# THE GARDEN

Al Fresco - Summer

Inside - Summer

The outdoor beer garden is a great place to host a party or a relaxed gathering. It's a great place to be in the sun or sit down for a quiet point, serving a wide range of seasonal favourites.

The Garden Bar has a great atmosphere set amongst palm trees and tropical lighting.

Inside has 3 large screens that can be used for slideshows and presentations. A microphone and projector are also available.

If there's something special you need assistance with planning or decorations, our preferred supplier directory has the best of Cairns local businesses.

# HOTEL BAR

Located at the heart of the resort, this spot is ideal for a quick drink or a reservation. The building is a mix of an open-plan bar and a lounge area.
