ENTERTAINMENT

The Toff is a live music venue first and foremost, therefore we can cater to a wide range of entertainment options for functions.

The stage room boasts a full live PA & lighting system which includes industry standard DJ equipment, projector and bass & drum kit backline. We can provide with a number of entertainment options including bands, DJs, MC's & comedians sourced from our extensive networks. Don't hesitate to get in touch for pricing options.

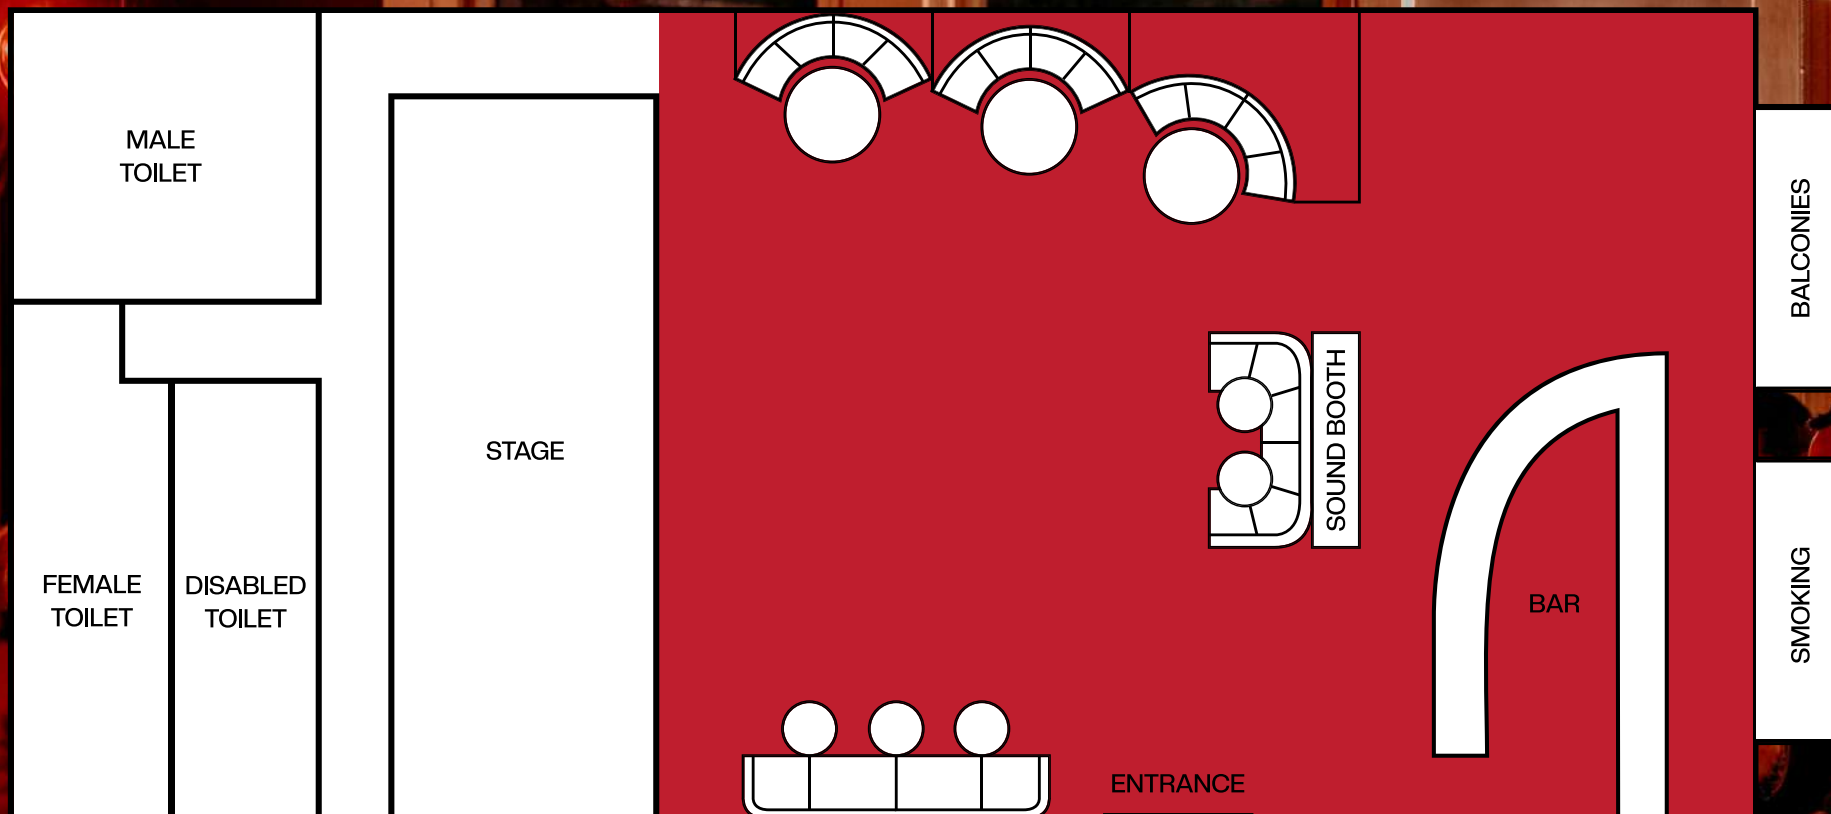

If you would like to source your own entertainment, our in-house sound technician team will liaise with them on your behalf and be there on the night to manage the sound and lighting, you will need to get a quote for this cost.

HIRE OUR SPACE

We often hire the stage room for a variety of events other than live music; such as photoshoots, conferences, launches and much more. Please don't hesitate to contact us with your request and we can tailor a quote for your requirements.
